ISEGA

C E R T I F I C A T E

on the Implementation of a
Hygiene Management System

4141-04-05 H 09

Herewith we confirm that the company

KARTON DEISSWIL AG
Bernstraße 1
3066 Stettlen, Switzerland

has implemented and applies a hygiene management system for the production of board for food packaging.

The existing hygiene management system meets the demands of the

INREKA Certification standard for Hygiene Management systems

„Hygiene management and product safety concept
of the community of interests recycling board“

and of the

DIN EN 15593

“Packaging - Management of hygiene in the production of
packaging for foodstuffs - Requirements”

The assessment of this hygiene concept was performed in September 2005 under the ISEGA registration No. 4141-04-03. The certificate is valid until 30 September 2010.

The enclosure is part of this certificate and consists of 2 pages.

Aschaffenburg, 14 September 2009
